Professional status

Chartered Arbitrator Chartered Construction Manager Chartered Surveyor
Accredited Adjudicator Expert Determiner Independent Expert Witness

Personal statement

I have wide experience as a multi-qualified construction professional: a Chartered Construction Manager, a Chartered Quantity Surveyor and a Chartered Arbitrator (qualified and experienced in domestic and international commercial arbitration).

I am a Member of The Academy of Experts and act as independent expert on quality/standards of work, delay and disruption, and quantum in engineering and construction matters. I act as a construction industry arbitrator and adjudicator and am Accredited in Adjudication by the CIOB. I represent parties and provide litigation support to solicitors, in all forms of construction Alternative Dispute Resolution.

I am listed on the CI Arb Approved Faculty List for tutoring and examining on CI Arb Diploma modules 1 to 4 for both International Arbitration and domestic Arbitration and modules 1 to 3 for Adjudication and on the Accelerated Route to Fellowship for both. I am Education Convenor and Vice-chairman for CI Arb Scottish Branch and have been responsible for adjudication training for RICS Scotland.

I aim to provide a first rate service to clients by always applying objectivity to my work, liaising closely with them and their solicitors, and in maintaining a high degree of quality Continuing Professional Development.

I have experience constructing most building types, infrastructure and plant facilities and in providing quantum and delay and disruption evidence on pipework installations, steelwork fabrication, infrastructure and power plant installations.
